

# Short Term Accommodation for Children

It's about children having a good time away from home, enjoying familiar experiences and fun, new adventures.

Everyone can relax knowing Identitywa is providing support tailored to suit their child's needs and interests.

Day and overnight short stays/respite are available at our two houses located north and south of Perth. We can also discuss a longer stay.

Identitywa also provides the opportunity to transition from our children's house to our adult house when the time comes.

Contact our Community Engagement Advisor via [enquiries@identitywa.com.au](mailto:enquiries@identitywa.com.au) to arrange a conversation to discuss your family's individual circumstances and support plan, or you can call 9474 3303.
