

# Short Term Accommodation for Adults

It's about people having time away from home for short stays, enjoying new and familiar experiences while being supported 24 x 7 by highly qualified support workers.

Families and carers can relax knowing Identitywa is providing tailored support for a Participant's needs and interests.

Day and overnight short term accommodation is available in our adult house. We are also happy to discuss longer stays.

Contact our Community Engagement Advisor via [enquiries@identitywa.com.au](mailto:enquiries@identitywa.com.au) to arrange a conversation to discuss your individual circumstances and support plan or you can call 9474 3303.

A short stay away from home for James means he gets to meet new people, participate in the activities on offer in and out of the house, including contributing to cooking shared meals, travelling on the train to the city, bowling, or just having a chat.
