She is excited to be continuing her education this year. She will be studying for her *Certificate II in Business* along with working part-time at Identitywa's Balcatta Office.

Bettina said she was really enjoying working at the Balcatta hub. "I love it! I don't want to go home at the end of the day!"

Mandatory training for all Identitywa staff

The NDIS Quality and Safeguarding Framework provides a nationally consistent approach to help empower and support NDIS participants to exercise choice and control, while ensuring appropriate safeguards are in place and establishes expectations for providers and their staff to deliver high quality supports.

All Identitywa staff are required to complete the mandatory online *Worker Orientation Module* by the end of June to continue to work for Identitywa.
