

Complaints and Feedback

About this book

This book is written by Identitywa.

When you see the word **we** it means Identitywa.

This book is written so it is easy to read.

The first time we use hard words we write them in **blue**. Then we explain what the word in **blue** means.

You can get someone to help you:

- read this book
- know what this book is about.

You can ask for more information.

We want you to:

Tell us what you think about Identitywa services.

Tell us if something is not right with our services.

Feedback can be something good you tell us about our services.

It can also be something bad you tell us about our services, we call that a **complaint**.

It can be anything to do with Identitywa, a person or something else.

You have the **right** to:

- Have a family member, advocate, or friend with you when talking to us.
- You do not have to tell us your name.

This is important

You have the right to be heard and to tell others:

- You are not happy
- Something is not right
- You need something to change

If you are unhappy with any part of our service and would like to talk to someone at Identitywa:
