## ROLL OUT OF COVID-19 VACCINE

As we send this eNewsletter, we are waiting to be informed by the Department of Health when the people living in our shared living houses, and the staff who support them, will be scheduled to receive the coronavirus vaccination.

Please know that as soon as we are informed, we will be in contact with families and carers with a schedule of how the vaccination will be rolled out across our houses.

We remind you that consent forms are essential for the vaccination to be administered.
